To Whom It May Concern:

Capoeira is a Brazilian Martial Art that combines acrobatic fighting techniques with music and teamwork. This cultural art form has been gaining popularity all over the world, especially in the past few decades, and for the past several years, our organization has been an educational hub for children and adults of all backgrounds and abilities, first serving the YMCA in Boynton Beach and then moving to other schools and locations throughout the Palm Beach County area, Melbourne FL, Waldorf MD, Brazil, Spain, and Italy. Finally, in almost 5 years in January of 2012, our dedication over the years paid off as we had grown enough to open our own studio in Boynton Beach. Now we are able to offer much more to our community, including day camps, summer camps, and an after-school program to help children grow not only physically, but socially, culturally, and emotionally.

Our capoeira program has been incorporated as a component of the curriculum of the Attention Dynamics Program, a non-profit organization based in Delray Beach, which is designed to help children and families battling with the symptoms associated with ADD/ADHD find an alternative, holistic way to relax, focus, communicate and thrive in school and at home. We also volunteer on a regular basis, performing at community events that promote health and fitness for children and multicultural awareness, and we have volunteered at the Milagro Center in Delray Beach, FL to provide classes to at-risk youth in our community who cannot afford tuition.

Once a year, we host our Graduation Ceremony, a “batizado,” for our students and their families and friends. Batizados are large events and are very important to the groups who organize them. It is the point in the year when the new members are officially welcomed into the group and receive their first cords and when the other capoeiristas are acknowledged with new cords depending on their progress. Many other capoeira groups from other regions will come to participate in a Batizado. This allows for development of the game by contact with other players, teachers, and styles.

This year, our event will take place at 10:00 AM on Sunday, November 6th, 2016 at the DeVos Blum Family YMCA in Boynton Beach. We are expecting at least 400 guests who all have a deep passion for fitness and awareness. Now, we’d like to extend our invitation to you to support a powerful art while getting your own business’s name recognized. Our uniquely vivid populace will know your name as an active participant in the community of health and cultural appreciation if you choose to join us and be a corporate sponsor for the Batizado, and this means abundance for everyone.

We host these annual ceremonies to recognize the diligent work of all our students, and to help their families and parents learn more about the valuable Afro-Brazilian cultural art

form that is still fairly new to this country. We truly appreciate your help, and we would love for you to attend the event as well!

Any contribution you give would be used to pay for travel and accommodations for the visiting mestres/professors from out of town, and for the logistical expenses involved in organizing this event.

Thank you for your time and consideration. Your contribution is truly an investment in the future well-being of our community. For further information, please feel free to contact me anytime at the above email address, or at (561) 737-3425. More information is also available at our website: www.capokusa.com.

Sincerely,

Sara and Alberto da Conceicao
